Letter No H C 81/41-42 dated 19-12-1941 from the President Town Municipal Council Mandya to the Deputy Commissioner, Mandya

Levy of Education Cess in Mandya Municipality

With reference to your memo No A2 917/41-42 dated 24-10-41 forwarding a copy of Government Order No E-1058-71/Edn 195-40-2 dated 16-10-1941 on the above subject, I have the honour to state that the Government Order was placed before the Municipal Council on 30-11-1941 They have resolved that this tax ought not to have been levied just at a time when the Economic conditions is not good and that as the municipality is already paying heavy contribution towards maintenance of High School where most of the boys come from village, the levy of this tax at least may kindly be with drawn in the Municipality

In this connection I beg to state that the Municipality is maintaining a High School incurring an expenditure of Rs 2,500/- to Rs 3,000/- on an average every year beyond the income from fees and Government grant

In view of the above facts and also in view of the present economic depressions owing to war conditions and also existing heavy rates of taxation in the Municipality at annas four each for water tax and lighting tax per rupee further addition of another 2 annas per rupee will amount to annas ten per rupee, which the citizens feel it a very burden at the present juncture

I therefore request you to kindly request Government to specially
